EIT Digital-led **Strategic Partnerships** and collaboration for EU projects

EIT Digital has an ecosystem of 350+ partners and 56 top tech universities, and an EIT Digital alumni network of top entrepreneurial minded tech talents.

EIT Digital is partnership organization. We are creating an innovation ecosystem together with our partners, therefore most of our programs and initiatives are made in collaboration with them.

We are bringing together education, research and business with the aim to build a competitive digital Europe, aligned with the UN Sustainable Development Goals.

Venture Program

MAKERS AND SHAPERS

A EUROPEAN APPROACH TO ARTIFICIAL INTELLIGENCE

A 3D rendering of a complex circuit board, likely a GPU or high-performance processor, with glowing traces and components. The scene is illuminated with a gradient from red on the left to blue on the right. The text "THANK YOU" is overlaid in the center in a bold, white, sans-serif font.

THANK YOU
